

CAPABILITIES STATEMENT

ABOUT MOONLIGHT

Founded in 2018, Moonlight plumbing provides high-quality plumbing services. We specialize in plumbing and pipe installations and are able to work with any piping material. Moonlight Plumbing is headquartered in Mystic, Connecticut and is owned by president Nicholas Balboni. Nicholas has many years of experience within the plumbing construction industry and can provide professional-grade work on commercial, municipal, industrial and residential projects. He and his staff are available to discuss and execute your plumbing needs.

CORE COMPETENCIES

- **Plumbing and Piping Consultation**
Project execution planning, solution-based strategy for plumbing and piping projects using time-based objectives.
- **Renovations, Repairs & New Construction**
Renovating plumbing in existing structures, repairing damages / wear and tear of existing systems, installing brand new systems for construction projects.
- **Budgeting Services**
Providing estimates prior to project work, establishing budgets needed to complete work on an interval-based scale.
- **Decommissioning**
Complete removal or cut and cap of existing, decommissioned plumbing and pipe lines.
